OUR STORY

Gentle Style is a sourcing office in BD. We try to give best support to Buyer to fill their requirements. We try to work with such a factory which has a good reputation in garments sector in BD. We work with such a production factory that they can ship goods with easy way as to fill Buyer's requirement. We try to nursing an order as a child from received an order to till export. We try also to give best support to supplier that can give us best quality & also maintain time schedule. After all we always think that how we can improve our self that we can stay long time in garments trade.

OUR SKILL

We believe that success depend on good skill. We ensure to Buyer that they can say about our skill in our working progress. Our team is comprised by such a dynamic, experienced and energetic people who can ensure that Gentle Style BD can give best quality services in limit time schedule to valued Buyer. Moreover we can ensure that Buyer will find us our love for fashion garments. Also we can ensure that Buyer will pay attention again & again to us for our skill & for take care of quality & schedule. After all we try to build good relation with Buyer by giving best efforts & also try to fill each requirement in each & every moment.

OUR MISSION

To be the eyes and ears of Buyer on the ground and to protect the brand and business of our clients in Bangladesh. We assist buyer with detailed cost analysis to offer custommade solutions and personalized services. We assure to Buyer about secure, protect their business & interests in Bangladesh.

OUR VALUES

The open secret of our success is true partnership. We work closely with each of our Buyer to provide immense value in the supply chain. We are working & supplying Ready-made Garments through importers for retailers, wholesalers and online buyers.

WHAT WE DO

We always try to work a large brand in overseas market. That's why we have a good experience team to communicate with Buyer & try to understand their requirement & also try to give feedback to Honorable Buyers in return.

HOW WE DO

After getting any enquiries from Buyer's side we research it on proper way. Sourcing team, costing team & merchandising team sit together that can give a nice support to Buyer in return as quick response. After confirm any order sourcing team decides the best garments factory to give best effort. Sourcing team also decides the best supplier that can give us best quality & also maintain time schedule. Merchandising & QA department have good experience to do meeting with factory people with top management & production people that can find easy way to ship the goods with quality & maintain time schedule. We have also a technical department which always tries to give a solution to factory mainly in sample program that we can receive approve in one short without any time waste & also to give best support to Buyer to grow up good relation in garments trade.

OUR SOURCING

We always believe in long time validity. To keep maintain quality & schedule we always refer good sourcing. We can offer you the best quality in cheapest price. Of course we have good experience team that always busy to find a good supplier of fabrics, yarn, knitting, dyeing, washing, print plant, embroidery plant, accessories manufacturer to give best support & best quality to Buyer.

PRODUCT DEVELOPMENT

We think & believe that in garments sector need to develop product for upcoming order. It is easy to grow up good relation with buyer. The more we can give development sample support to buyer the more we can prove that we are capable.

PLAN OF PRODUCTION

We make T & A plan sheet of each individual order for easy follow up. By follow this sheet we push factory people that they can meet the date & time schedule. Also we give latest update to Buyer for transparent view.

QUALITY ASSURANCE

We never accept any quality issue. To keep best quality we always refer good experience people that can help factory people in each section as knitting, dyeing, sampling, cutting, sewing & finishing that can fill Buyer's requirement.

INSPECTION

Before final inspection we always try to make good quality goods & for that we do in-line inspection & pre-final inspection that can ship goods in time schedule. We have a good experienced team to do final inspection on behalf of Buyer as Buyer requirement.

WHAT MAKES US DIFFERENT

In garments business we have a habit to work on behalf in absence of Buyer that Buyer can trust us that in their absence we can take care each & every order as new born baby.
